

Fictional study week: 12–18 October 2026

Manually prepared sample, not AI output. Supplied availability: 435 min = 390 study + 45 buffer. Known work: 450 min; 60 unplaced. Unknown reflection is additional unknown work.

Date / time	Unit	Activity / min	Finish check
2026-10-12 19:00–19:45	Information skills	First pass / 45	Annotate the eight supplied facts and identify unclear wording
2026-10-12 19:45–20:00	Information skills	Recall / 15	Answer eight source-grounded questions then check and record errors
2026-10-13 19:00–19:30	Academic writing	First pass / 30	Read the supplied assignment requirements and outline one paragraph
2026-10-13 19:30–20:00	Academic writing	Practice / 30	Draft one paragraph and mark unsupported statements
2026-10-14 19:00–19:30	Introductory statistics	First pass / 30	Read worked examples and list steps needing clarification
2026-10-14 19:30–19:45	Introductory statistics	Review / 15	Explain one worked solution without looking then compare
2026-10-15 19:00–19:30	Computing basics	First pass / 30	Read exercise instructions and identify expected input and output
2026-10-15 19:30–20:00	Computing basics	Practice / 30	Attempt the exercise and record mismatches with expected output
2026-10-17 10:00–10:45	Introductory statistics	Practice / 45	Attempt the practice set and mark unresolved questions
2026-10-17 10:45–11:15	Academic writing	Review / 30	Check paragraph against assignment and identify a revision
2026-10-17 11:15–11:45	Computing basics	Review / 30	Recheck exercise output and explain remaining mismatches
2026-10-17 11:45–12:00	Buffer	Buffer / 15	Keep unassigned for slippage until explicitly replanned
2026-10-18 10:00–10:30	Information skills	Practice / 30	Apply claim-evidence distinction to a supplied paragraph
2026-10-18 10:30–11:00	Introductory statistics	Review / 30	Reattempt marked questions and record what remains unresolved
2026-10-18 11:00–11:30	Buffer	Buffer / 30	Keep unassigned for slippage until explicitly replanned

Information skills: 90/120 min, review short 30; writing: 90/120 min, revision practice short 30. Both due 19 Oct 17:00. Statistics: 120/120 min, due 18 Oct 17:00. Computing: 90/90 min, due 19 Oct 17:00. Time allocated does not prove completion.

Monday recall uses the supplied eight-fact quiz for 8 min answering + 5 checking + 2 logging = 15 min. No extra five-day plan. All blocks must remain inside offered slots. Workbook/CSV/input notes provide editable details.
