

Weekly study schedule

Original printable blank template. Fill dates, true free slots and workload estimates before assigning tasks.

Week beginning: _____ Local time / constraints: _____

Date / day	Start–end	Unit / activity	Finish check
Monday			
Tuesday			
Wednesday			
Thursday			
Friday			
Saturday			
Sunday			

Usable minutes: _____ Buffer: _____ Study capacity (usable - buffer): _____

Known workload: _____ Known unplaced work: _____ Unknown tasks: _____

Fixed obligations / exclusions: _____

Unplaced units, missing practice/review or unknown dates: _____

Check times and overlaps; put dated work before deadlines; study + buffer must fit availability. A quiz belongs inside an existing block. Recalculate after changes. Unknown is not zero.
